THE IDEAL MARKET TO GENERATE AWARENESS OF YOUR BRAND

Celebrating its 40th annual festival in 2026, FLIFF (Fort Lauderdale International Film Festival) is presented by the Broward County Film Society, a 501(c)3 not-for-profit organization and presents American indies, features and documentaries, special tributes and seminars, and introduces filmmakers to global audiences.

In addition to producing the annual film festival, we also program and operate Savor Cinema in Fort Lauderdale and Cinema Paradiso in Hollywood throughout the year, showcasing a wide variety of film genres, educational programming and opportunities for emerging filmmakers.
